## Mission Statement

The objective of The SCPD Google Group at Sun City Palm Desert is to provide a helpful forum for residents of SCPD.

Topics on this Group include items of interest and usefulness, recommendations, and guidance, directed to the residents of SCPD.

## Operating Policy

"The Group" is the nickname of the SCPD Google Group at Sun City Palm Desert. Members of this group are referred to as Groupers. Subscription to The Group is free and nominally restricted to residents of SCPD. Exception to this policy may be made with approval of The Group Owner, Steve Bayard ([SBayard1@aol.com](mailto:SBayard1@aol.com)) 760-610-9827.

Subscription to The Group is preferably made by sending an email to [SCPDGroup+subscribe@groups.io](mailto:SCPDGroup+subscribe@groups.io) then waiting for a reply from GOOGLE and replying to it. In your reply you should include your FULL NAME, your SCPD home address, your EMAIL Address and your phone number with a copy to [SBayard1@aol.com](mailto:SBayard1@aol.com), thus gaining access to the Group and receiving many web only items of interest. If you are having trouble you may send your personal information to [SBayard1@aol.com](mailto:SBayard1@aol.com) asking for assistance. You will receive an invitation via Google. Respond to it and you may be made a member.

New subscribers are automatically welcomed on a moderated basis, giving The Group Owner and Moderators time to ascertain their resident status and compliance with our Group Rules. Generally, new "Groupers" are unmoderated after a 3 month period of demonstrated compliance with Group Rules. Subscribers violating Group Rules may be unsubscribed or placed on moderation for a period determined by the Group Owner or Moderator. Political improper postings will probably be moderated for up to one year.

Moderation means that before your post is sent to the entire Group it will have to wait until one of the moderators looks at it and approves it. It could greatly slow down your posting or have it removed completely with or without warning,

Any material not within the following General Rules may be rejected and the sender may be unsubscribed.

Groupers who fail to follow the rules and always include their full names and a method to contact them in every email run the risk of not having their messages posted with or without warning.

Comments and opinions stated on The Group are solely those of the individual posting the message, and not of the SCPD Community Association, The Group Owner or Moderators. The Group is not affiliated and/or connected with Sun City Palm Desert Community Association. Sun City Palm Desert (SCPD), as well as other products and company names mentioned in this website are trade names of their respective owners. (Note: negative comments are not permitted.)
